

## PROTECTIVE, 2-IN-1 WASH & WAX SOLUTION

Highly concentrated 2-in-1 detergent and polish for the daily cleaning and maintenance of hard floors.

## SURFACES

Marble, granite, ceramic tile, parquet, terracotta and quarry tiles.

## FEATURES

Specific mix of cleaning and wax components, making product suitable for the regular maintenance and waxing of surfaces in one step. Product leaves no surface residues, streaks and does not damage material. The solution enhances the natural colour of surface, while protecting floors from potential shoe prints and scuffs. Due to its controlled foam formula the product is suitable for used with automatic floor scrubbers. No rinsing required. Long-lasting lavender fragrance.

## HOW TO USE

Manual application: dilute 30 ml (3 caps) in 1lt of water and proceed to wash floor using traditional wet mop system, micro-fibre or cotton cloth. Allow surface to dry completely before polishing with a clean, dry cloth to enhance the shine (optional).

Automatic floor scrubber: dilute 20 ml (2 caps) in 1lt of water and proceed to wash floor using white nylon pad. Polishing surface to obtain surface gloss (optional).

Note: 1 cap = 10ml

## ADVANTAGES

Due to its high concentration, product requires low dosages. Wash and wax, all in one application. Maintains long lasting, cleaned and shiny flooring.

## ADVICE

Highly recommended for the daily cleaning cycle of your floor surfaces. Use product in lukewarm water. Polishing with a machine is not necessary, however if a higher surface gloss is required, use standard floor polishing machine or lambswool pad.

## CHEMICAL PROPERTIES

ASPECT: Liquid

COLOUR: White

ODOUR: Lavender

SOLUBILITY: Miscible in water

PH: 10,00±0,50

## INDICATIVE COVERAGE FOR LITRE

Approximately 1500-2000m<sup>2</sup>

Product coverage may vary depending on type and porosity of material where used

## PACKAGING
