

ECLIPSE II

Alpha® Eclipse II is ideal for general purpose use on common building materials such as masonry, concrete and tile. Alpha® Eclipse II fits on most of the angle grinders and wet stone cutters commonly found in the stone and construction industries. Similar in design to Alpha® Plus, Alpha® Eclipse II is versatile and will cut tile, brick, block, concrete, slate and natural stone accurately and cleanly. Tile installers, masons and general contractors will find Alpha® Eclipse II to be a reliable blade that will meet the challenges of cutting modern building products. The blade is cost effective, long lasting and provides consistent results without chipping. Alpha® Eclipse II has no equal when comparing price to performance.

PART NO.	SIZE	MAXIMUM RPM	ARBOR(S)
DEE004	4"	14,500	20mm, 5/8"
DEE045	4-1/2"	13,200	7/8", 20mm
