

UNIVERSAL CLEANER

Multi surface cleaner for all stainless-steel surfaces.

SURFACES

The product is suitable for all stainless-steel surfaces: kitchens, worktops, hoods, fridges and cooking areas. Ideal for restaurants, offices, hotels, industrial and residential surfaces.

FEATURES

With citric acid pH-based formulation the product eliminates effectively all grease, fingerprints and smudges from surfaces in stainless steel. This non-foaming formulation it is safe, dries quickly and leaves no residues or streaks. The product has a low VOC content of 3,0% (Directive 2010/75/UE).

METHOD OF USE

Spray the product directly to area to be cleaned at a 5-10 cm distance. Leave it on few seconds before wiping the surface with a microfibre cloth or sponge until completely dry. Rinse the surface using a damp cotton cloth.

ADVANTAGES

Fast drying solution, it leaves the surfaces marks and streaks free. Thanks to its low VOC content, the product can be used indoor safely.

ADVICE

Rub the product until completely dry. Do not use on acidic sensitive surfaces.
